1. Purpose of the Website

The primary purpose of this website is to help individuals rediscover their ancestors, extended family members, and lost relatives. The platform aims to provide members of the community with an opportunity to understand their heritage, lineage, migration history, ancestral roots, and historical family connections.

This website is created solely for:

- cultural preservation,
- historical exploration,
- educational understanding,
- genealogical research, and

The website should therefore be viewed as:

- a cultural preservation initiative,
